

ITPartners+ Named to National List for Managed Service Providers CRN's 2021 MSP 500

Grand Rapids, MI (February 16, 2021) – [CRN](#), a brand of [The Channel Company](#), has named [ITPartners+](#) to its 2021 Managed Service Provider (MSP) 500 list. This annual list recognizes the leading North American IT firms that have empowered the organizations they work with by providing services that help them improve operational efficiencies and navigate the ongoing complexities of IT solutions while keeping a strict focus on their client's core business.

ITPartners+ has been included in the Pioneer 250 category which recognizes companies that provide managed services to the SMB market.

"It's an honor to be included in a list that gets more competitive every year," said Kevin Damghani, Chief Partner Experience Engineer at ITPartners+. "Our inclusion in this list is a testament to how hard our team has worked to make sure we are delivering the best services and consulting to our partners."

"Effective MSPs enable companies to focus on their core objectives while improving the quality and reliability of their cloud computing capabilities," said Blaine Raddon, CEO of The Channel Company. "The solution providers on CRN's 2021 MSP 500 list deserve recognition for their innovative and forward-thinking approaches to managed services, and the ability to optimize operational efficiencies and systems to maximize return on investments."

The MSP 500 list will be featured in the February 2021 issue of CRN and online at www.CRN.com/msp500.
