

## **ITPartners+ Achieves Second Year Inc 5000** **Inc Magazine's Annual List of America's Fastest Growing Private Companies**

**Grand Rapids, MI (August 17, 2021)** – *Inc.* magazine included ITPartners+ in its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies, for the second year in a row. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent and small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"It's very exciting to earn our second inclusion," said Kevin Damghani, Chief Partner Experience Engineer at ITPartners+. "It gets more difficult each year to keep up this growth, but we have a team of rock stars here. I'm so thankful."

Since the last inclusion in this list ITPartners+ has doubled the number of states they serve and garnered two major managed service provider awards. ITPartners+ joins 11 other Grand Rapids companies as a repeat honoree.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000/2021](http://www.inc.com/inc5000/2021).

"The 2021 Inc. 5000 list feels like one of the most important rosters of companies ever compiled," says Scott Omelianuk, editor-in-chief of *Inc.* "Building one of the fastest-growing companies in America in any year is a remarkable achievement. Building one in the crisis we've lived through is just plain amazing. This kind of accomplishment comes with hard work, smart pivots, great leadership, and the help of a whole lot of people."
