

For the 5th Time, ITPartners+ Makes the Inc. 5000

Inc Magazine's Annual List of America's Fastest Growing Private Companies

Grand Rapids, MI (August 13, 2024) – *Inc.* revealed today that ITPartners+' has been included for the fifth time in the Inc. 5000, its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses. Microsoft, Meta, Chobani, Under Armour, Timberland, Oracle, Patagonia, and many other household-name brands gained their first national exposure as honorees on the Inc. 5000.

“Achieving the Inc 5000 Fastest Growing Companies in America award for the fifth consecutive year is a testament to our relentless dedication to innovation, exceptional service, and positively impacting people.” Kevin Damghani, CEO at ITPartners+.

The Inc. 5000 class of 2024 represents companies that have driven rapid revenue growth while navigating inflationary pressure, the rising costs of capital, and seemingly intractable hiring challenges. Among this year's top 500 companies, the average median three-year revenue growth rate is 1,637 percent. In all, this year's Inc. 5000 companies have added 874,458 jobs to the economy over the past three years.

“One of the greatest joys of my job is going through the Inc. 5000 list,” says Mike Hofman, who recently joined *Inc.* as editor-in-chief. “To see all of the intriguing and surprising ways that companies are transforming sectors, from health care and AI to apparel and pet food, is fascinating for me as a journalist and storyteller. Congratulations to this year's honorees, as well, for growing their businesses fast despite the economic disruption we all faced over the past three years, from supply chain woes to inflation to changes in the workforce.”
