ITPartners+ and Trinity Worldwide Technologies Announce Strategic Merger

Grand Rapids, MI (September 16, 2024) ITPartners+, an Award-Winning managed service provider (MSP) headquartered in Grand Rapids, MI, and Trinity Worldwide Technologies, a top MSP based in central New Jersey, are excited to announce their official merger.

The strategic alliance brings together two complementary firms. ITPartners+ has specialized expertise in enterprise-level IT strategy and cybersecurity, while Trinity Worldwide Technology excels in a consultative approach to IT that helps their clients use technology effectively to reach their business goals.

Kevin Damghani, CEO of ITPartners+, states, "This merger is a huge step forward for both ITPartners+ and Trinity Worldwide Technologies. Together, we're combining the strengths of two outstanding companies to provide even better, more innovative IT solutions. We're committed to not only delivering exceptional service but also pushing the boundaries of what's possible in IT strategy and cybersecurity. The future is bright for our team, and we're excited to continue growing alongside our valued partners."

John Kalli and William Laohoo, former owners of Trinity Worldwide Technologies, comment, "We are confident that the merger of ITPartners+ and Trinity, both organizations with deeply aligned cultures centered around caring for our clients and dedicated staff, will ensure a seamless continuation of our values and exceptional service. We are at peace knowing that the legacy we built is in trusted hands moving forward."

Partners and clients of both companies can expect to continue receiving our industry-leading service. With the combined strength and resources of our unified organization, along with significant investments in service enhancements, we are committed to setting a new benchmark for world-class service delivery.
