

## ITPartners+ Achieves Eighth Recognition on CRN's Prestigious MSP 500 List

**Grand Rapids, MI (April 17th, 2026)** ITPartners+, a rapidly growing managed IT services provider, announced today that CRN®, a brand of The Channel Company, has recognized ITPartners+ on its Managed Service Provider (MSP) 500 list in the Pioneer 250 category for 2026. CRN's annual MSP 500 list is a comprehensive guide to the leading MSPs in North America. These companies deliver essential managed services that enhance business efficiency, simplify IT, and optimize return on technology investments for their customers.

ITPartners+ has earned its place on this prestigious list every year since 2019, marking a milestone achievement in the managed services industry. This seventh consecutive recognition highlights the company's proven track record of empowering organizations to leverage technology as a strategic advantage. By combining enterprise-grade solutions with a partner-first approach, ITPartners+ continues to set the standard for how managed service providers deliver value in an ever-evolving digital landscape.

"Eight consecutive years on this list is a testament to a team that never stops pushing. Every year we find new ways to make enterprise-level technology accessible and impactful for the organizations we serve. That combination of consistency and innovation is something I am incredibly proud of."

The MSP 500 list showcases and celebrates MSPs that are driving growth and innovation. These solution providers empower businesses with complex technologies so they can achieve their business goals without stretching financial resources.

"The solution providers on our 2026 MSP 500 list deliver innovative managed services portfolios that enable clients of every size to be more agile and optimize their IT budgets as they grow their business," said Jennifer Follett, VP of U.S. Content and Executive Editor, CRN, at The Channel Company. "These are the companies that anticipate client tech needs and develop groundbreaking services and solutions that let customers focus on their core business so they can accelerate success."
